July 9, 2018

On behalf of the people and the Government of the Islamic Republic of Afghanistan, it is with a heavy heart that I extend my sincerest condolences and sympathy over the damages caused by the recent heavy rain which affected your esteemed nation's western area.

While the ways of nature beyond our understanding can induce such tragedy, it can also bring together in fellowship and solidarity the people of all communities as we collectively pray for the souls of those lost and for their loved ones. May the missing people be found as well as mercy and care be brought upon those injured, and their family members during this difficult time.

Therefore, please accept my heartfelt sympathies, prayers, and condolences, and know that all of those in my country as well as everyone here at the Embassy join me in this expression of grief.

Sincerest regards,

Dr. Bashir Mohabbat  
Ambassador Extraordinary and Plenipotentiary
